WE DEDICATE THIS YEARBOOK TO.....

a Teacher who has made a difference in our lives

Mrs. Donahue

When we were asked to choose a person to dedicate this yearbook to, shock came over us! We felt that everyone on the faculty was special and didn't know who to pick. However, we interviewed the senior class, and the name that stood out the most was Mrs. Donahue. She always has a smile, and offers her advice and support in all types of situations. She is also very dedicated to her student's educational needs and helps them work to their full potential. Her kind words, guidance, and support has helped us so much through the years, and we wanted to show our appreciation. Mrs. Donahue, thank you for being there for us. You'll always be in our hearts.

Thank You!
